## THE WHITE HOUSE

WASHINGTON

June 13, 1984

Dear Mr. <sup>Bill</sup> Casey:

I would like to take this opportunity to express my appreciation for the fine cooperation I have been receiving from the Central Intelligence Agency in reviewing the White House Digests which are written by the Outreach Working Group on Central America.

As you know, these Digests are reviewed and cleared by the Central Intelligence Agency, the Defense Department, and the State Department. Since there are two rounds of review and clearance, the process takes a long time. However, [redacted] office has been exemplary in acting on these requests quickly.

This is an enormous help in our effort to publish these Digests and counter the myths about the President's policies in Central America. Please express my thanks to [redacted] and my hope that we can continue working together effectively.

Very truly yours,
